This new exhibition features artworks by two members of the [Andalusian International Artists Group](#). The husband and wife team from Ireland and Mijas Costa exhibit different techniques and styles, including original oil paintings on canvas and water-colour paintings as well as intricate needle-point cross stitch. The gallery owners welcomed the two artists back, congratulated them for the quality of the exhibits, and highlighted the good work being done by the AIA. "The artworks bring a fresh look for autumn. They are in complete contrast to each other and yet are in harmony. It promises to be a delightful exhibition."
